PureSet™ trays

87294 NobelActive PureSet

All-in-one: Store NobelActive and NobelParallel CC surgical instruments in one single tray. Includes surgical instruments to perform implant surgery with NobelActive implants. Drills, screw taps and bone mills must be ordered separately. Please contact customer support or your local representative for current assortment and support.

87295 NobelParallel CC PureSet

All-in-one: Store NobelParallel CC and NobelActive surgical instruments in one single tray. Includes surgical instruments to perform implant surgery with NobelParallel Conical Connection implants. Drills, screw taps and bone mills must be ordered separately. Please contact customer support or your local representative for current assortment and support.

87296 NobelReplace CC PureSet

Includes surgical instruments and drills to perform implant surgery with all NobelReplace Conical Connection implants. Bone mills must be ordered separately. Please contact customer support or your local representative for current assortment and support.
